Align a cream B in one corner of a brown A as shown. Using cream thread and a machine straight stitch, sew 1/4" from the curved edge of B to make a unit 1. Repeat to make 2 unit 1's. Repeat with the cream A's and brown B's to make 3 unit 2's. Use the brown C and cream D to make a unit 3. The raw edges of the appliqué will fray.

Sew the units and patches together as shown. Sew the button in place to complete the block.
