WANTED: Quick curve rulers

The 2020 opportunity quilt will be made using the quick curve ruler. We would like to know how many are available for use. If you have one, please let Nancy Hart-Kline or Joyce Johnson know by the July meeting. This quilt will be a group effort for anyone who wants to participate.

Ruthe Goff is going to be sewing at the Community Center on Guild Meeting days between the daytime and evening meeting. (After lunch, of course!) If you want to join her she would love the company.

Other Items

KCRQF

We've had great donation of many items from members--lots of bags and pincushions galore! We can still use applied kitchen and hand towels , needle cases, scissor/rotary cutter cases; sewing cases, table toppers and other items that our creative members can imagine!

We also need at least 2 people working at all times--we currently have Wed evening covered (preview night) and 3 members who have volunteered to be the "go-to" person all day on Thurs, Fri and maybe Sat. But we need members that will take on a 3 hour shift on all 3 days. You will need to purchase a ticket for the day you work--but can choose to either be reimbursed for \$5 after the show or get a show pin. Please sign up at the May meeting!

Barb Brown has had a catheterization and a stint put in her heart and is doing well. Please keep Barb in your thoughts and prayers.

Ruthie Goff is going to sew at the Community Center on Guild Meeting days between the daytime and evening meetings (after lunch of course)! If you want to join her, she would love the company!!
