

Plaited Block - Page 2

Make two of each of the units shown at left, using your small squares and half squares, and again, 1/4" seams.

Now just piece the block as shown at left. First make three rows, then join the rows, alternating pressing directions by row. Done!

The quilt is four blocks by five, with new yellows, oranges, golds and browns introduced for color interest and depth!

Happy
Quilting!...Marcia :o)
