

Ranger's Pride - Page 2

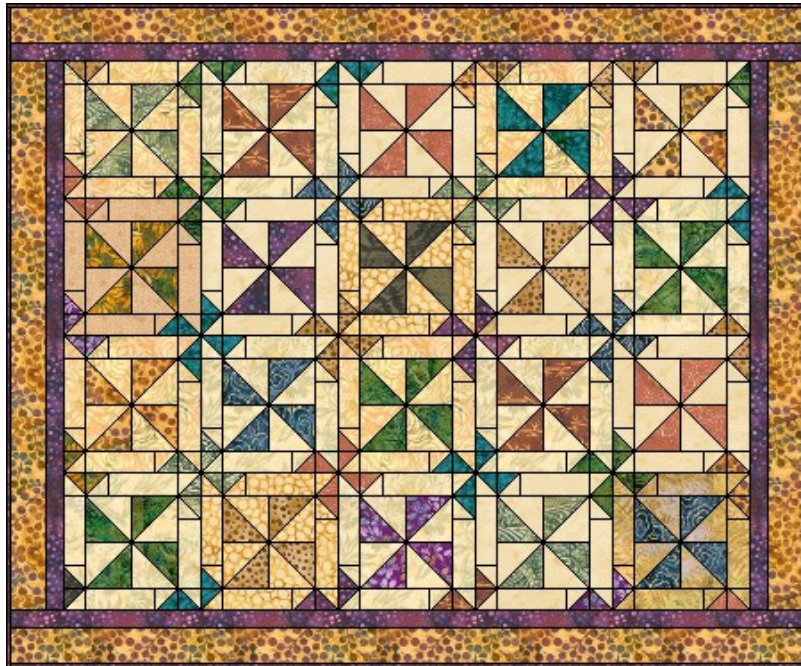

Using a 1/4" seam, (now, and for the rest of the block-making!) sew together the four larger Half Square units as shown at left...

Next use the smaller Half Square units and Color 3 rectangles to make two of each of the units shown at left...

Sew the shorter units we just made to the left and right of the center Pinwheel, then add the longer units to the top and bottom to finish the block!

Here are twenty Ranger's Pride Blocks with plain borders!

Happy Quilting!

Marcia :o)
