### December Minutes

**Opening:** The potluck dinner meeting was opened with a blessing by Nancy Hart-Kline.

**Member Update:** Cee Kueser and Kelly Stewart both lost their mothers recently. Janna Renner broke her leg. Jean Ryszewski had leg vein surgery. Karen Brown has started radiation treatment. Diane Burnett had a brain bleed. She is now home and will be doing some at home speech therapy. Lana Ramsdell had a test on her gallbladder and pancreas and may need surgery. Darlene Hadsall is having gallbladder surgery December 7. Dorothy Challacomb and Dorothy Schneider need our prayers. Diane Jennerich is out of her sling.

**Minute Approval:** The minutes were approved after corrections. National Quilt Day is March 16, 2019. It should not have been in the paragraph about the beginner's class. The ballot about the quilt show needed another question that was sent in a separate e-mail. The information about the vote not counting was incorrect. The quilt show falls under policy and procedure, not by-laws.

**1st VP/Membership:** There were 69 members in attendance.

**2nd VP/Programs:** Ruthe Goff will be promoting mini-quilts at the January meeting and she is working on a program for February.

**Treasurer:** We have over \$17,000 in the treasury.

**Correspondence:** We received a donation from the Thoden family for \$270 for the program fund. We also received a pamphlet from Lakemary about donation information. Chad Meyers sent the guild a Christmas card and thank you note for using the Community Center.

They can be tied instead of quilted. She will be collecting them in January.

**Block of the Month:** Annalee Nelson won the blocks this month.
