COMMUNITY SERVICE: Members made fidget quilts on May 12. There are still a few kits for fidget quilts. Please pick one up. Please bring the finished product to the August meeting. Our next project will be surgery hats for kids. They would like some made with Novelty prints so check your stash. The hats require 18 ¾ "circle for the large ones and 17" circles for the small ones. We will start making the hats after the quilt show.

HISTORIAN: Lonnie Vopat asks that if anyone has any pictures or articles to please see that she receives them.

OLD BUSINESS:

QUILT SHOW BOUTIQUE: Barb Brown is in charge of the boutique this year. She has made up cards for us to fill out when we bring our donations so that she can keep track of the items. You can pick up the cards beforehand to fill out at home. Please price your own items.

JULY CHALLENGE: Debra Damron reminded us about the July challenge. The theme for the challenge is to keep it green, repurpose, learn something and have fun. The July 5th meeting will be a potluck dinner at 6:00. Set-up starts at 5:30. We will be voting on the "green challenge" that night.

COUNTY FAIR: Grace Young needs helpers for the kids' corner. You will need to bring your machine, snips, thread and seam ripper. Sign-up sheet is going around. Friday, July 27 is the date and will be in the air conditioned building. Jerri Hefling has volunteered to be the Open Quilt Superintendent this year. She also needs helpers. Tuesday night July 24 is from 4-9. Wednesday, July 25 is all day.

DRAG'N BRAG QUILT SHOW: Cheryl will be picking up items for Quilts Around the Square at the July and August meetings. David Reed will show his artistic film using his grandmother's quilts from both sides of the family at the show. This is a continuous loop show that in addition to entertaining will be a great spot to sit and relax. We will have a bed-turning again this year on both Saturday and Sunday. Laurie Jacklovich has a form to fill out. Forms are due September 6. We will be having 2 baskets for the raffle this year. Karen Ulanski is looking for new or like new donations. The silent auction voting for top 10 will be at the September meeting. If you can't make it for the meeting, Kathy Havelka will take your entry Friday night before the show. Please don't wait till the last minute. Kathy is also our honored quilter so she will be setting up her own display at the same time. Sign-up sheets for volunteers for the show are going around. Don't forget that if you sign up for 2 hours you will receive 1 free coupon for admission.

KCRQF: We have reserved a double corner booth for our boutique at the festival. Nancy Hart Kline is in charge of the booth. We will be making items for quilters for the booth. The guild will be purchasing any specialty fabrics needed and we will furnish the rest. We will start having sew-ins after meetings and some Saturdays after the Drag and Brag show.

GARAGE SALE: The garage sale is Saturday, June 16. Ruthe Goff is bringing homemade cinnamon rolls for the workers at 7:00! Please come to help with set up and take down. The sale starts at 8:30 and runs until noon. You need to price your items and make sure any pertinent info is with machines, etc.

Brown .01 Pigma Pen

Embroidery Hoop

Embroidery Floss—colors that match/ coordinate with crayon colors

Embroidery Needles

Light box—if you have a small one that is easy to transport

MATERIALS THAT WILL BE SUPPLIED:

Cotton Fabric

Pattern—generic to respect copyright laws

Class Handouts

Saturday August 4th: Twisted Bargello Quilt at 9:30 AM—3PM

Supply List:

1/4 yard each of 20 gradated prints, light to dark with the last 4 lightening up slightly

1/4 yard for the first border

1/3 yard for the second border

3/4 yard for the outer board and binding

Rotary cutter, mat and ruler

Sewing machine

Basic sewing supplied

Pre-Class Cutting: cut four 1.5” strips from each of the 20 prints

Pre-Class Sewing: Sew together into four strip sets in order gradating from #1 (lightest) to #16 (darkest) with strips #17 through #20 gradating back to medium. A lot of bargellos are from light to dark, but this one has the last four colors a little lighter than the darkest.

IMPORTANT: Do not let your strips bow as you sew them together. There are a couple ways to do this:

1. Sew strip 1 to 2 and sew 3 to 4, then sew 1&2 to the opposite end of 3&4

2. Sew strip 1 to 2 then as you add each strip you will need to sew from the opposite direction with each strip. Your goal is to have your strip set straight and flat. It does not matter which direction you press your rows.

Contact Janna Renner or Elaine Elliott with any questions.

2018 Guild Challenge
