

Grandmother's Cross

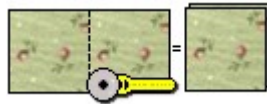

This makes a 12" block!

Please abide by the [Terms and Conditions of use!](#) :o)

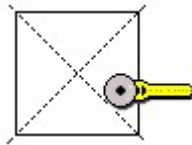

Shown here in three fabrics from [Marcus Brother's "Tea Rose" Collection](#) ...available at a quilt shop near you!

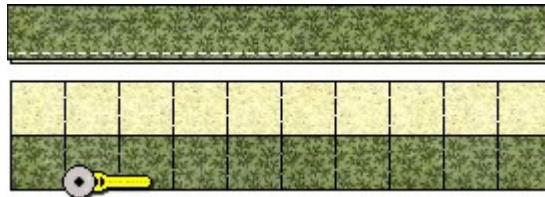

** Preparing the Pieces and Sewing the Block **

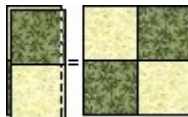

Start by marking and cutting the Color 3 3-7/8" x 7-3/4" strip into two 3-7/8" squares. Stack and cut these once on the diagonal to make four half square triangles for the block's corners...

Next mark and cut the Color 4 7-1/4" square on both diagonals to make four quarter square triangles for the block's sides...

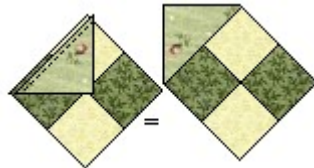

Now sew together the Color 1 and Color 2 2-5/8" x 26-1/4" strips, right sides together, along one long edge using a scant 1/4" seam. Press the seam to the darker side. Mark and cut at 2-5/8" intervals...

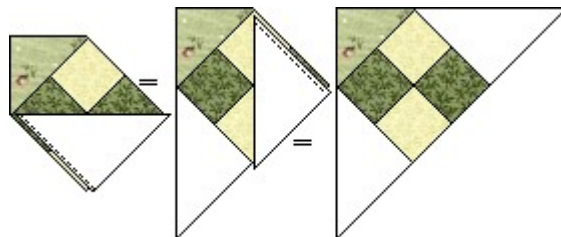

Flip alternating strip units and sew pairs of these together to make five four patch units as shown at left...

al21t-+ernati

Then sew a Color 3 triangle to one side of two four patch units...noting the direction of the four patch colors before you sew! Press seams towards the triangles...

Now sew a Color 4 triangle to either side of the two units we just made, pressing seams towards the triangles...on to [Page 2!](#)
