Preview Night

Calypso Bluz

Enjoy the smooth and captivating sound of the tropical steel drum island duo; very entertaining, the perfect tropical touch to a fun evening. Join us in celebrating the opening of the Festival and giving a hand-up to two very deserving charities.

Come and meet the wonderful women of the Sewing labs.

We are women with sewing machines! We have a passion for sharing and empowering others by teaching sewing skills.

The Sewing Lab is a not-for-profit community learning center that partners with businesses, volunteers, donors, and community members to offer education, intellectual and social opportunities. We combine these skills with entrepreneurial elements to inspire. But, we don't just teach adults we also support our passion by teaching the children the fun of sewing which can open their eyes to the creative artful life.

Come sew, come share, come help, come watch. Come on down! 1305 E. 27th Street, K.C., Mo. 64108. infor@thesewinglabs.community, week days 9 a.m.-4 p.m.

We're helping refugee arrivals to identify their interests and then teaching them skills to help them become self supporting. We believe in taking action with urgency in order to raise public awareness about the needs of some of our most vulnerable neighbors. Please join us by supporting our efforts to make a measurable difference in the lives of others.
